## Discover the majestic scenery of Norway on a winter sailing with Fred. Olsen Cruise Lines

Fred. Olsen Cruise Lines is offering guests the choice of two 'Norway Winter' cruises, on either *Balmoral*, departing on 20<sup>th</sup> January 2017 from Southampton, or *Braemar*, sailing from Dover on 18<sup>th</sup> March 2017. At this time of year, guests will be able to experience and admire Norway's breathtaking scenery at its very best – with the clean air at its most crisp and the mountains coated in blankets of white.

Taking a cruise to Norway during the winter months also offers a variety of shore tour experiences that are not available during the summer. Cruise

In addition, guests that book one of these ‘Norway Winter’ sailings by 12<sup>th</sup> October 2016 can benefit from up to 20% off their cruise fare.
