Jackie Martin, Sales and Marketing Director at Fred. Olsen Cruise Lines, said:

"2020 is set to be a very exciting year for us aboard *Brabant*. This year, we are offering sailings directly into Luxembourg, where few other river ships venture, as well as other maiden calls into Vukovar, in Croatia; Drobeta-Turnu Severin, in Romania; and Nierstein in Germany, to name just a few.

“Equally as exciting will be our scenic sailings into the Danube Delta, where guests will be able to witness the diverse species of flora and fauna, both on excursions and from the comfort of the ship.

“I know that being able to enjoy a free Dining Drinks and tips upgrade or a free shore excursion programme, plus our ‘no single supplement’ offer, will make those enjoying their holidays extra special this year.”

Now in its third season with Fred. Olsen Cruise Lines, river ship *Brabant* will visit 43 ports across 13 countries in 2020, including 10 maiden calls. Each Fred. Olsen river cruise will incorporate plenty of daytime scenic cruising, so that guests can enjoy some of Europe’s most fantastic scenery – with 14 areas of scheduled scenic cruising included across the itineraries.
