## Five lucky travel agents to WIN a year of free Netflix with Fred. Olsen Cruise Lines

Travel agents who make a booking with Fred. Olsen Cruise Lines for 2020, 2021 or 2022 by the end of the month will be in with a chance of winning a year of free Netflix.

The incentive applies to all new bookings, plus any bookings which are transferred as a result of a cruise being cancelled by Fred. Olsen Cruise Lines due to covid-19.

All agents need to do to qualify is register all new or transferred bookings between 4<sup>th</sup> and 30<sup>th</sup> June using Fred. Olsen's online Travel Agent Centre.

Geoff Ridgeon, Head of Sales at Fred. Olsen Cruise Lines, said:

“What we are experiencing now as an industry in the wake of Covid-19 is unprecedented. It is so important now, more than ever, that we all work together to come out of this stronger.

“This incentive is our way of saying thank you to our many dedicated and loyal travel agents, who I know have been working extremely hard in particularly challenging circumstances in recent weeks.

“We recognise that it is so important to take some time out to relax when everyone is working so hard, and hopefully a year of free Netflix will encourage the winning agents to do just that.”

Fred. Olsen Cruise Lines has also extended its launch offers until 30<sup>th</sup> June, following the unveiling of its 2021/22 itineraries in March. It means travel agents who make a new Freedom Fare booking in 2021 or 2022 can offer

their customers a series of added benefits, including a choice of dining time and restaurant, tips included and at least £50 per person to spend on board.
