‘Get closer with Fred.’ in 2015 – get closer to the experience, discover the difference!

Fred. Olsen Cruise Lines has launched a new brochure – ‘Get closer with Fred.’ – which highlights the factors that make cruising on board its fleet of four smaller, more intimate ships so special, unique and different. All the cruise holidays featured – with durations of between seven and 14 nights, and prices starting from just £91 per person, per night – offer inspirational experiences, such as fjord cruising in Norway’s spectacular Lysefjord and visiting beautiful Seville in Spain, where shallow-drafted *Braemar* can sail right into the heart of the city centre.

Nathan Philpot, Sales and Marketing Director for Fred. Olsen Cruise Lines, said:

“At Fred. Olsen Cruise Lines, we have a clear focus for our brand – ‘closer’. We are ‘closer’ to the market, offering more regional departures from the places that our guests want to sail from; ‘closer’ to the destinations, with our smaller ships and greater access; and we are ‘closer’ to our guests, building strong relationships and lasting friendships.

“We prefer more traditionally-built, smaller-scaled vessels, with less of a focus upon the latest gimmicks and gadgets, and a more ‘personal’ feel on board. And, by concentrating on the destination, we can give our guests unrivalled access to many places that the larger cruise ships simply cannot reach.”

Cruises featured in Fred. Olsen’ new ‘Get closer with Fred.’ brochure include:
