Honeymoon Cruise Ideas

After getting married, a cruise is a great way to spend a relaxing, romantic and memorable holiday with your new partner. As well as pampering yourselves with our on-board spa treatments, visit these beautiful and inspiring places to start off your married life in style.

Spanish Sun

Go for something you know you'll both enjoy; sunny beaches on the [Canary Islands](#) are an opportunity to spend 10 days soaking up the Spanish

atmosphere, culture and history. This trip is full of bustling cities such as Gran Canaria and Lisbon where you can lie on the beach, fill up on tapas, relax in outdoor cafes and shop in unique boutiques. Try traditional fennel sweets and take a romantic cable car to the botanical gardens in Funchal. After a delicious candlelit dinner, drink the world-famous fortified wine in Leixoes.

Exotic Adventures

See some of the most exotic sights across the world with the [Far East, India and Arabia cruise](#), giving you the chance to experience Singapore, India, Oman and Jordan all in one exciting trip. Singapore is full of culture with everything from ancient temples to the Singapore Zoo whilst Mumbai is thrilling, chaotic and full of life with its colonial architecture, temples, mosques and bazaars. Then in Aqaba, Jordan you can take a peaceful walk across the beach and explore the Wadi Rum and the lost city of Petra. If there's one trip to build amazing memories, this is it!

From Paris with love

You can't have a list of honeymoon locations without mentioning the most romantic city in the world – Paris! Take a gorgeous [mini cruise](#) from Southampton to Normandy, Rouen and you'll have the perfect opportunity to take a day trip to Paris and enjoy the immense culture that the French capital has to offer. See the Mona Lisa in the Louvre, have a shopping spree on the Champs Elysees and sit in elegant outdoor cafés for lunch whilst learning the deep history of Rouen.

Whichever cruise you end up picking, each one will give you the chance to travel to exciting new places together while you learn their culture and enjoy their local cuisines. You can book shore tours with us too, so make sure you don't miss out!
