## Celebrate Valentine's Day at sea with Fred. Olsen Cruise Lines

A Fred. Olsen cruise is the perfect way to celebrate Valentine's Day, 14<sup>th</sup> February – the tranquil days at sea, exotic and exciting destinations to visit and the chance to experience outstanding service and delicious food. Plus, with the relaxing spas on board all four of its smaller, more traditional cruise ships – *Balmoral*, *Braemar*, *Boudicca* and *Black Watch* – guests can indulge in some special treatments, too!

Fred. Olsen always celebrates Valentine's Day in great style across its fleet, and this year will be no different! Guests will be able to enjoy a romantic atmosphere on board, and each will interpret the theme in its own individual way; traditionally, the bars and restaurants are decked out in red and white, and the romantic theme is reflected in the daily quiz, evening entertainment and, of course, the food, with heart-shaped cakes for tea and special Valentine's cocktails in the bars. There is a Valentine's themed dinner, with a matching dress code, such as 'Hint of Red' to inspire guests' imaginations and a special 'message dedication' service, whereby guests can leave romantic messages or request songs for loved ones at Reception throughout the day and during the evening entertainment these will be played or read out. In addition, for this year, on board Fred. Olsen's *Black Watch*, there will be a 'Grand Tea Dance' during the day.

All four Fred. Olsen ships will be well-positioned to celebrate this special date: *Black Watch* is at sea, en route to Arica in exotic Chile; *Braemar* is in Cuba's enchanting and vibrant Havana; *Boudicca* is in Santa Cruz, Tenerife and *Balmoral* will be in Port Klang, for tours to Kuala Lumpur, in Malaysia.
