This sensational scenic cruise takes into account awe-inspiring architecture –including Topkapi Palace and the Blue and Suleymaniye Mosques in Istanbul – as well as offering the chance to delve deep into history, with visits to one of the world’s largest Catabombs in Ukraine and Stalin’s Summer residence in Sochi.

“What’s more, being a September sailing, it provides the perfect opportunity to soak up some late Summer sun, as elegant *Boudicca* cruises to some of my favourite parts of the Mediterranean. It really does tick all of the boxes!”
