Clare Ward, Director of Product and Customer Service at Fred. Olsen Cruise Lines, said:

“To us, the cruise experience is just as important as the ports of call themselves, and this on board spending credit will help guests to really make the most of their time, wherever they are heading.

“It means guests can enjoy their choice of experiences on board and ashore on us, whether they want to indulge in a rejuvenating spa treatment, savour fine wines at a sommelier-led tasting session or embark on an unforgettable shore tour.

“Whether you’d like to explore the enchanting islands of the Mediterranean, bask in the winter warmth of the Canaries, marvel at the scenic fjordland landscapes of Norway, or uncover the natural wonders of the Azores, there is still plenty of time to join us aboard our fleet of smaller ships this year.”
