Fred. Olsen Cruise Lines celebrates record-breaking sales success following the launch of its new 2017/18 cruise programme

Fred. Olsen Cruise Lines saw its most successful sales day on record on Tuesday 15th March 2016, following the launch of its exciting new 2017/18 cruise programme to its top tier of *Oceans* loyalty club members. Nearly 50% more revenue and 31% more guests were booked on the first day of Fred. Olsen's new 2017/18 cruise itineraries going on sale than on the first 'on sale' day last year.

Fred. Olsen's new 2017/18 cruise programme goes on general sale on 18th March 2016.

Nathan Philpot, Sales and Marketing Director for Fred. Olsen Cruise Lines, said:

“We are very encouraged by the tremendous response that we have received to our new 2017/18 cruise programme, and we would like to thank all our travel trade partners for their support.

“For Fred. Olsen Cruise Lines, it is less about the ship, more about the experience, and we are in a very fortunate position that our smaller ships provide us with the ability to create and tailor-make such rich itineraries.

“We have worked even harder than ever to create over 100 innovative sailings in 2017/18, which will enable our guests to see the world in a very different, and very special, way.

“We would encourage all our agents to get behind our new cruise programme, and we hope that we can all benefit from our unique, immersive itineraries.”
