Fred. Olsen Cruise Lines extends 2024 Cruise Sale into February

Fred. Olsen Cruise Lines has extended its Cruise Sale into February, with sailings starting from just £749 per person, plus a choice of additional savings.

Guests who book before 29th February can enjoy either a free drinks package or on board spend on selected sailings throughout 2024 on its fleet of smaller-sized ships *Bolette*, *Borealis* and *Balmoral*.

From an Arctic exploration of Canada and Greenland, sailings to the sun-

kissed Mediterranean and Adriatic, a specially timed cruise to Spitsbergen to witness the Midnight Sun to journeys to Norway to seek out the Northern Lights; each cruise features a hand-crafted itinerary.

Clare Ward, Director of Product and Customer Service at Fred. Olsen Cruise Lines, said:

“We have seen huge demand for cruises already this year, and as a result, have extended our Cruise Sale until the end of February.

“Our Journey Planners have timed cruises to visit destinations at the best times; whether that’s to witness the Northern Lights, see the Midnight Sun or experience Canada in the Fall, we are sure there is something to suit everyone’s holiday desire.

“On our cruises, guests can discover natural wonders and fascinating wildlife, uncover captivating history and discover local culture. They can enjoy hidden gems reached on board our smaller ships such as the narrow fjords of Norway, along the River Seine to the quaint city of Rouen or seek out volcanic landscapes and marine life.

“The Cruise Sale is also the perfect opportunity for those wanting to book their first cruise with several five-night cruises included in the offer along with either a free drinks package or on board spend before the end of February.”

Departures are available from Southampton, Liverpool, Newcastle, Rosyth, Portsmouth and Dover.

There are also savings for solo travellers with sailings from £999 per person, including the opportunity to experience the cultures and culinary traditions of the Mediterranean, enjoy a festive Spanish break and seek out the Perseid Meteor Shower, among many others.
