Fred. Olsen Cruise Lines unveils new first-ever dedicated 'Worldwide Fly-Cruises' brochure for 2017-19

Fred. Olsen Cruise Lines has launched its first-ever dedicated fly-cruise brochure for 2017-19, highlighting a host of new exotic holidays to experience some of the world's most stunning scenery. Fred. Olsen guests can choose from a range of enticing, far-flung destinations, including India, Arabia, the 'Islands of the Indian Ocean', South Africa, Australia and New Zealand, with durations from 14 to 38 nights.

Justin Stanton, Sales and Marketing Director for Fred. Olsen Cruise Lines, said:

“With a Fred. Olsen fly-cruise, offered by three of our four smaller, more intimate ships – *Braemar*, *Boudicca* or *Black Watch* - guests are able to get closer to their destinations. This, together with our innovative itineraries, means our guests can spend more time ashore discovering diverse cultures, wondrous landscapes and gaining a more ‘authentic’ experience in the destination.

“Our once-in-a-lifetime adventures offer so much variety: guests can enjoy the culture and traditions of India and Arabia; search for the ‘Big Five’ on a South African safari; discover spiritual sites in Asia; spend Christmas in the South Pacific or watch magical fireworks over Sydney on New Year’s Day. The world is only a Fred. Olsen cruise away!”
