Fred. Olsen Takes Possession of Fifth Ship

The major work to be done is the insertion of a 30 metre mid section which has already been constructed and is now in Hamburg awaiting the arrival of the ship. Public areas will all be redesigned, and alterations in cabin accommodation includes the addition of balconies on several cabins and suites to bring it in line with the company's other ships: *Black Watch*, *Braemar* and *Boudicca*.

Balmoral will sail on her inaugural cruise from Dover on 30th January 2008 on a 14 night cruise to the Canary Islands.

Fred. Olsen Cruise Line operates in the UK with four intimately sized ships for a more personal cruising experience.
