Happy new dot com from Fred. Olsen!

Fred. Olsen Cruise Lines has changed its website address to

www.fredolsencruises.com

The new .com address reflects the international nature of the cruise line, and will make access easier, wherever you are searching from.

The company's online presence has increased considerably in recent weeks, with the establishment of its own official Facebook 'fan page', its own channel on 'You Tube' and regular 'Twitter' feeds. Additionally, its Facebook page will contain regular blog reports from Balmoral's 108-night world cruise, and Black Watch's 77-night South America cruise.

Find out all about Fred. Olsen's programme of worldwide cruises, by searching this website, which also has links to the our Facebook, Twitter and You Tube pages.

Fred. Olsen Cruise Line operates in the UK with four intimately sized ships for a more personal cruising experience.
