Head for the Sunny Canaries this Half Term with Fred. Olsen Cruise Lines

Fred. Olsen Cruise Lines has a tempting offer for families looking for some 'fun in the sun' this February Half Term. Cruise ship *Braemar* is based in Santa Cruz, Tenerife, for a winter season of fly-cruises. Her 'Canary Islands Discovery' cruise of seven nights, (M1305) departs from Tenerife on 17th February 2013. The itinerary starts with a full day in sunny Santa Cruz, before *Braemar* sets off on a voyage around the islands. She visits Arrecife, (Lanzarote), then Funchal, (Madeira), Santa Cruz, (La Palma), La Estaca, (El Hierro) and, finally, San Sebastian, (La Gomera), before returning to Tenerife.

There is currently a 'Latesaver' starting price of just £349 per person available on this cruise (based on two adults sharing an inside, twin cabin) and an

additional offer of just £99 per person for children in third and fourth berths, sharing a cabin with their parents, so it is the perfect family break. These great prices cover accommodation on board, all meals and entertainment and port taxes, and, as an added bonus, they include Fred. Olsen's all-inclusive drinks package of selected wines, beers and spirits, plus soft drinks, making it an unbeatable deal. (The package consists exclusively of soft drinks in the case of guests under 18 years of age.)

Lol Nichols, General Sales Manager for Fred. Olsen Cruise Lines said: 'This is a fantastic deal for families looking for a Half Term getaway and it offers amazing value for money, when you consider all that is included – meals, drinks, entertainment and the range of onboard facilities. Agents can of course reap the extra benefits of helping their customers book the flights for this cruise-only offer.'

Fred. Olsen Cruise Line operates in the UK with four intimately sized ships for a more personal cruising experience.
