Last chance to enjoy dedicated solo savings as end of Fred. Olsen Cruise Lines' Cruise Sale approaches

Solo travellers looking to plan their next adventure have until the end of February to take advantage of great savings in Fred. Olsen Cruise Lines' Cruise Sale, offering solo sailings from just £699 plus a free all inclusive drinks package or credit to spend on board.

The campaign, available on selected sailings when booked by 28th February inclusive, features journeys to the cultural capitals of Northern Europe, scenic cruising in the Scottish isles alongside marine conservation charity ORCA and, later in the year, to seek out some winter warmth in the Canary Islands, or

meander some of Europe's Christmas markets.

On-board, solo travellers will find events dedicated to them and a warm welcoming atmosphere, with their service for solo guests seeing them awarded a number of accolades, most recently 'Best Cruise Line for Solo Travellers' at Cruise Critic's UK Editors' Picks Awards 2022.

Clare Ward, Director of Product and Customer Service at Fred. Olsen Cruise Lines, said:

"Travelling the world is one of life's many great highlights, and we don't want travelling alone to be a barrier to that.

"Our Cruise Sale offers some exceptional savings for solo guests looking to plan their next adventure, and they can be sure of a warm and welcoming atmosphere to help them explore with other like-minded travellers too.

"Whether you're looking to spot wildlife, enjoy the cultural highlights that Europe has to offer or enjoy a relaxing break in the sun, there's a cruise for everyone."
