Sailings start from just £599 per person with more than 120 cruises included for 2021 and 2022, to destinations including the UK, Europe, Scandinavia and the Caribbean, with durations from five to 30 nights.

Jackie Martin, Director of Sales and Marketing at Fred. Olsen Cruise Lines, said:

“At Fred. Olsen, we know that our guests all want different things from their holidays, which is why we are giving them the option to choose what will enhance their experience the most. Whether that’s being able to enjoy a tipple or two in our bars and lounges on us, or the flexibility to enjoy the many on board facilities, from treatments in our spas to specialty dining or some duty-free shopping, this is our way of saying ‘thank you’ for all of their support this year.

“So whether you’re after something closer to home to explore some of the UK’s fantastic ports, to experience the adventure that destinations such as Iceland or Norway bring, or explore some of Europe’s most wonderful cities, we can’t wait to welcome you back on board.”

Earlier this year, Fred. Olsen Cruise Lines unveiled an updated Plain Sailing Guarantee to cover cruises into 2021 to bring reassurance and flexibility to all new bookings. It enables guests booking a cruise for next year to move their deposit to any other cruise already on sale without any additional fees before they pay their final balance. Guests can also have their deposit refunded if they choose not to cruise before their payment due date.

In addition, any guest who is unable to travel due to a positive Covid-19 test can move to any other cruise without any administration fees or penalties, right up to the day of departure, with up to 12 months to choose their new cruise.
