Special offers for solo travellers in 2017/18 with Fred. Olsen Cruise Lines

To make cruising with Fred. Olsen Cruise Lines even more attractive to solo travellers, it has introduced some great 'twin-for-sole occupancy' discounts. These special deals mean that a solo guest, occupying a twin room, will pay no single-supplement on bookings made from 1st February 2017 until 1st March 2017.

Neil Herbert; Head of Sales for Fred. Olsen Cruise Lines, said:

"We know how difficult it can be to find great holidays that don't have prohibitive single supplements. That's why we have put together these great offers on selected twin rooms for solo travellers. Enjoy a twin room all to yourself – with no supplement!"

With 10% of all rooms in the Fred. Olsen fleet being dedicated to solo travellers, it has one of the highest proportions of dedicated accommodation for solos within the industry. Overall, the Fred. Olsen fleet has 190 dedicated rooms for solo guests: *Braemar* offers 40, *Black Watch* and *Boudicca* each have 43, and *Balmoral* has 64.

Fred. Olsen has a number of room options available on each of its four ships, covering all grades, from ‘Single Interior’ and ‘Single Ocean View’ cabins, to ‘Single Balcony Suites’.

Once on board a Fred. Olsen ship, solo travellers will find exclusive gatherings for them to get to know each other, and staff on board will seat them together for dinner, and arrange companions for solo travellers when going ashore, if required. There are also Gentleman Hosts and Dance Couples on board the ships to provide dancing partners for solo guests.

The relatively small size of Fred. Olsen’s fleet of ships – *Balmoral*, *Braemar*, *Boudicca* and *Black Watch* – and the relaxed and friendly atmosphere on board make Fred. Olsen cruises especially attractive for those travelling alone.
