## Talk to Fred. Olsen Cruise Lines' Experts at the Daily Telegraph CRUISE Show, London

Stand D40, 26th and 27th March 2011

Fred. Olsen Cruise Lines will have a team of experts on hand at this spring's Daily Telegraph CRUISE Show in London, ready to inspire and inform visitors on the right kind of Fred. Olsen cruise for them. Visitors can also take advantage of a variety of Fred. Olsen deals – exclusive to the Show – on selected cruises around the world.

The CRUISE Show, held at Olympia's Grand Hall on 26th and 27th March 2011, provides a showcase for the cruise industry, giving visitors interested in cruising a flavour of the different types of cruise holiday open to them. This year's Show has more space than ever before, with three talk theatres and experts offering free advice and inspiration. The Show also has more features and more exhibitors than ever before, to guarantee that visitors will have a great day out and will come away with the best information possible.

Fred. Olsen will be exhibiting on stand D40, with experts available to provide visitors with useful, informed advice on the wide range of Fred. Olsen cruises and itineraries. As well as a range of special exclusive show offers on many cruises, visitors booking on the day can save up to an additional £325 per person off brochure fares and special offers.

As one of the world's most established cruise lines, Fred. Olsen will also be sharing its expertise through the panel discussions at the Show. Lol Nichols, General Sales Manager for Fred. Olsen Cruise Lines, will be giving an insight into cruising on a smaller scale, highlighting the benefits of Fred. Olsen's unique fleet of smaller and more intimate ships.

Anyone wishing to take advantage of specially discounted entry tickets can do so by calling 0871 6204024, quoting 'Fred. Olsen', saving £4 per ticket.

Fred. Olsen Cruise Line operates in the UK with four intimately sized ships for a more personal cruising experience.
